Title of Proposed Research

Applications should be submitted as email attachments by October 1, 2019 to the office of the Editor in Chief at ospui@mit.edu. Complete applications must include

- This cover sheet
- Curriculum vitae including list of publications, indicating which papers represent research by undergraduate coworkers.
- List of most recent undergraduate coworkers (5-10 maximum) including their first position after graduation and current employment (if known).
- Description of proposed research (maximum 3 pages including figures, schemes, and references).
- Letter of support from the Chair of your department confirming the availability of space, equipment, and administrative support for the proposed research and confirming that undergraduate researchers will receive appropriate training in laboratory safety.
